

Programme Introduction:

BE's exclusive Windlesham House Summer Course Adventures in English is held in an idyllic prep school learning environment. Windlesham brings together authentic English language learning, challenging subjects and nature-themed adventures both in and out of the classroom. Exciting evening activities will encourage students to build friendships in the boarding houses and multiple excursions will be organised. Children will experience a wonderful mix of cultures; students from all over the world will embark on a 2-week summer school experience that will inspire them greatly.

School Description:

Founded in 1837, Windlesham School was the first private preparatory school in the UK making it the oldest prep school in the world. In 1967, Windlesham became the first IAPS (Independent Association of Primary Schools) private school. Located in Sussex, the school is close to Brighton and only 30 minutes from Heathrow Airport. The school's outstanding graduates have gone on to study in the UK's top senior schools, including Eton College, Rugby, Sevenoaks and Brighton College amongst many others.

Programme Highlights:

- 24-hour welfare service with a 1:4 teacher ratio
- Professional course arrangement - worry free learning with support and encouragement.
- Inspiring course design that fully utilises the school's excellent facilities.
- Dedicated BE staff staying on campus to help with any translation needs and parent contact
- Experience one of the most beautiful schools in the UK and outstanding Sussex countryside.
- Safe, reliable and spacious campus.
- Suitable for students of all English levels.

Programme Outline:

There are 18 hours of lessons per week including English Skills, Explorations and Adventure Activities. All levels are available with a maximum of 14 students per class. Weekly tests are conducted to check progress. Lessons improve students' general language competencies (including grammar and vocabulary) while placing particular emphasis on communication, fluency and building confidence in the speaker.

■ ENGLISH LEVEL

All levels are welcome, starting from A0 (Complete Beginner) up to C2 (Proficiency).

■ ENGLISH SKILLS

These lessons are designed to improve students' general language skills, extend their vocabulary and better their understanding of grammar, to improve accuracy when producing spoken and written English.

■ EXPLORATIONS

These lessons use CLIL methodology to develop students' English Skills through a range of stimulating subjects such as Science, Technology, Geography and History.

■ ADVENTURE ACTIVITIES

Adventure Activities offer students practical lessons outdoors, focusing on productive and receptive communication skills such as orienteering, problem-solving, survival skills and bushcraft activities.

Weekly Excursions

WED | SAT | SUN

WEDNESDAY FULL DAY

Students will break their regular weekday routine and leave the campus to enjoy a full-day trip to attractions and destinations of cultural and historical significance. Where possible, course outcomes and tasks will be available to continue student learning outside of the classroom.

SATURDAY EXTENDED FULL DAY LONDON

Saturday excursions are a full-day trip and include a cultural visit to London (Buckingham Palace, London Eye, National Gallery, Tower of London or Westminster Abbey). This sightseeing trip to London is offered every week.

SUNDAY FULL DAY

After breakfast, the students will embark on a full-day excursion. Sunday excursions are often more relaxing trips to a local seaside town, such as Brighton or Portsmouth, where students will visit local attractions like the Brighton i360 viewing platform or Portsmouth Historic Dockyard. They will return in time for dinner and social events in the evening.
